Satisfaction_coffee

A woman with blonde hair, wearing a white chef's hat and a green apron over a light blue top, is smiling and holding a white coffee cup. She is standing in front of a background that appears to be a coffee shop interior with shelves of jars.

"The Satisfaction logo shows on the windows of our beautiful coffee shop on the corner of the street. However, the scooter on our logo is a bit odd, because both owners prefer driving motorcycles. The Vespa in our logo refers to the 1950s style of the shop and the relaxed Italian mentality we try to create. Just like the name suggest, we aim for super satisfied customers. The name Satisfaction is also a nod to the music in the store. As a true music lover, you can ask Bram everything about the vinyl's which play in the store all day long. For all the other questions, go to his sister Beau.

Nowadays Satisfaction is open seven days a week from 08:30 till 18:30. This is doable thanks to our amazing staff. One by one exceptional people who make our days (and hopefully yours) much better. "

"We only use beautiful fresh products. We have our own slicing machine for the meat, and we prepare all our dishes ourselves.

Ohh well, almost everything. We have to admit that our mother makes all the pies. Thanks mom, we love you!"
